NATIONAL SECURITY MUST BE BARRED AS POLITICAL ISSUE PRESIDENT INSISTS

Chicago (AP)—President Eisenhower says America is strong militarily "and will grow ever stronger"—and that national security must be barred as a political issue in this year's congressional election campaigns.

The President also told a Republican \$100-plate dinner rally and a nationwide TV-radio audience last night that United States defense is markedly stronger than when he took office five years ago.

Eisenhower again pledged effective modernization of the defense set-up to deal more adequately with the Russian threat in the future. And he told applauding party faithfuls here that in the modernization program "I intend to participate personally until the job is done."

New Bombing Scare Report At Little Rock

Little Rock, (AP)—City police and school officials searched Central High School again today after another anonymous telephone caller reported that dynamite was inside—this time capped and fused.

Supt. Virgil Blossom said nothing has been found yet.

The new search—the second in 24 hours—was touched off by a phone call to the switchboard operator of the Arkansas Gazette, Mrs. Grace Bennett.

Mrs. Bennett said the caller sounded like a teen-aged white boy and had muffled his voice.

"There's a bomb in Central High School and this time it has a cap and fuse," Mrs. Bennett quoted the caller.

Then he hung up," she said.

The search got under way as FBI agents began investigating the discovery of a stick of dynamite in a basement locker yesterday. High scene was placid. Two outside patrols circled the campus and eight of the nine Negro pupils entered school without incident. The missing Negro pupil was Minnie Jean Brown, but her absence was not connected to the events of yesterday.

An anonymous telephone call yesterday sent city policemen and federalized Arkansas National Guardsmen on a 1½-hour search. They found the dynamite, which had no cap or fuse, in an otherwise empty locker.

The Justice Department said at Washington last night that the FBI would find out whether any federal law had been violated.

Tug-of-War Looms On Choosing Date To Start Thruway

Harrisburg (AP)—A tug-of-war appeared developing today between the Leader administration and the Keystone Shortway Assn. on choosing a date for starting construction of the Sharon-Stroudsburg superhighway.

Z. H. Confair, Williamsport, association president, said the State Highways Department indicated last year that work would get under way in May. But, he added, new indications are that there may be a delay until fall.

The association convened here for a session intended to seek assurances that the May commitment is fulfilled.

"We have always tried to keep the shortway out of politics," Confair told a newsmen.

Without actually saying so, he inferred that the Leader administration wanted to postpone the start of construction until fall to tie in with the political campaign.

Superior Court Upholds Law Banning Sale of Fireworks

Philadelphia, (AP)—A Pennsylvania law banning the sale and use of fireworks was upheld as constitutional today by the State Superior Court.

The unanimous decision, which was written by President Judge Chester H. Rhodes, reversed an order of the Franklin County Quarter Sessions Court which had declared the so-called "fireworks law" unconstitutional.

The case came to the Superior Court on appeal by the commonwealth against a lower court decision setting aside the conviction of Val B. Bristow, a Waynesboro storekeeper, who had been indicted on charges of selling a toy cannon in which substances that pro-

duce an explosion are used. Bristow had claimed that the toy cannon was harmless and that the definition of the term "fireworks" in the state law went beyond the proper exercise of the police power and that it was both vague and indefinite.

"Children in particular need protection from such devices," Rhodes wrote. "It was the legislative intent that the explosion of such fireworks should be proscribed as a danger to health and safety and as a nuisance resulting from the unreasonable, audible defect."

The lower court had set aside the jury conviction of Bristow without acting on his request for a new trial.

Joke Is Finally on Practical Prankster

Santa Monica, Calif. (AP)—For once, the joke's on Vince Barnett, noted as Hollywood's principal practical prankster in years goneby.

Barnett, actor-turned-restaurantier, made change in his bistro yesterday with a motorman's money changer.

But Barnett wasn't amused. Burglars made off with his \$1,800 cash register and the \$200 it contained.

Kansas City Area Paralyzed by Worst Storm of Season

Kansas City, Mo. (AP)—The Midwest's worst snowstorm of the season threatened to paralyze the Kansas City area today.

Up to 12 inches of snow was forecast by nightfall. The Weather Bureau issued heavy snow warnings from northeast Oklahoma to lower Michigan.

Six to eight inches had accumulated in eastern Kansas and western Missouri by early morning.

Winds of 25 to 35 miles an hour whipped drifts three to six feet deep across highways and all east-west roads in northeast Kansas were blocked. These included U. S. 40, 24 and 36. North-south highways were icy and hazardous.

Conditions in northwest Missouri were almost as bad but the Missouri Highway Patrol reported cars with chains and snow tires could get through.

In some suburban sections of Kansas City, nothing was moving. Snow plow crews worked on the main streets all night but the wind whipped the snow right back.

Five to 12 inches of snow fell yesterday as the storm moved across Kansas and southern Nebraska into Missouri and Iowa.

The Northeast was earmarked for worsening weather with the onslaught of a rain and sleet mixture early in the day. This was to be followed by light snow, Weather Bureau forecasters said.

Reds Are Believed Preparing to Free Three Americans

Hong Kong (AP)—Word that the Chinese Red Cross had advised Mrs. Ruth Redmond to appeal in person to Premier Chou En-Lai for her jailed son's release aroused speculation today the Reds may be preparing to free him and two other Americans.

Mrs. Redmond, of Yonkers, N. Y., said by telephone from Shanghai she will fly to Peiping tomorrow to intercede with Chou on behalf of her son, Hugh, 38, serving a life term in Shanghai on spy charges.

Mrs. Redmond disclosed that the Red Cross broached the idea Sunday and she accepted it once. "I am hoping for the best," she said.

Mrs. Redmond said the Red Cross would make no promises and declined to predict what Chou's decision might be.

It appeared highly unlikely, however, that the Chinese Red Cross would advise such a trip without Chou's full knowledge. It was also the Red Cross which suggested earlier that Mr. Redmond and two other American mothers visiting sons imprisoned in Red China apply for a week's extension of their visas. The extensions were promptly granted.

Mrs. Redmond saw her son in a Shanghai jail this afternoon.

Mother And Four Tots Die Of Monoxide

Washington, Pa. (AP)—A 68-year-old grandfather whose frantic rescue efforts saved the lives of his son and three grandchildren died today because he arrived too late to help his daughter-in-law and four other grandchildren.

Mrs. Dorothy Cox, 29, and four of her eight children, were apparently already dead of carbon monoxide poisoning when the grandfather, Howard J. Cox, arrived at their home yesterday afternoon in West Finley RD 1, 15 miles south of this western Pennsylvania community.

Deputy Coroner Graham P. Cowieson said the victims died of carbon monoxide poisoning, apparently from a gas heater used to warm the living room of the two-story home.

Seriously ill from the lethal fumes were Eugene Cox, Sr., 38, and his children, Terry, 4; Marilyn, 3; and Ricky, 2. All were reported in fair condition early today at Washington Hospital.

Dead on arrival at the same hospital were Mrs. Cox; Eugene Jr., 11; Randy, 7 months; Teresa, 9; and Dale, 10.

The grandfather, a retired miner with first aid training, said he drove to his son's home in late afternoon with some groceries.

Getting no response after repeated and increasingly frantic knocks, the 68-year-old Cox opened the front door which was blocked by the body of Eugene, Jr.

Inside he found the bodies of Mrs. Cox and Dale in living room chairs. Randy was dead on the couch. Terry, still breathing, was sprawled beneath a record player.

After carrying Terry to the front porch, Cox rushed upstairs and found Ricky and Marilyn alive in their crib. Teresa was dead on a nearby bed. The father was stretched across the bed, gasping for air.

The grandfather said he rushed to each member of the family to determine whether they were alive. He said he breathed into the mouths of his son and Marilyn and Ricky.

James Devenny, who lives 200 yards from the Cox home, and his son-in-law James Smith were changing a tire when they were attracted by the grandfather's shouts.

Grandfather Cox said he shopped for groceries for the family only because his son's auto was disabled. Otherwise he would not have gone to the house when he did.

Host's Wife Subpoenaed In Gangland Investigation

Owego, N. Y. (AP)—A grand jury's inquiry into the Apalachin gangland meeting took a dramatic turn today with the disclosure that Mrs. Joseph Barbara Sr., wife of the host, had been summoned to appear.

Acting State Investigation Commissioner Arthur L. Reuter said in New York last night that Mrs. Barbara had been handed a subpoena last Wednesday at her home by two state troopers.

Mrs. Barbara, he said, threw the subpoena into the snow and said: "I can't take that."

The service is regarded as a valid one, however, by inquiry officials, Reuter said, and Mrs. Barbara is scheduled to appear before the Tioga County grand jury of 23 farmers, storekeepers and laborers.

Reuter said Mrs. Barbara would face a contempt charge if she failed to respond to the subpoena.

Pieces of Foam Rubber Pin-Point Plane Search

Honolulu—Pieces of wood and foam rubber were found in the Pacific Ocean last night, pinpointing one of two giant searches for missing military planes.

Searchers picked up the debris 97 miles west of where a Military Transport Service cargo plane vanished Sunday with seven aboard. The plane was last heard from 385 miles southwest of Oahu Island on a flight from Honolulu to Kwajalein.

Also missing, near Guam, is an Air Force WB50 weather spotting plane and a hunt for it was intensified by persistent distress signals heard by radio operators.

The carrier Philippine Sea messaged Navy headquarters at Pearl Harbor that it had found the wreckage and believed it came from the cargo plane.

Disarmament Advisor at White House Scheduled To Arrive in Warren During Late Afternoon

Harold E. Stassen, controversial disarmament advisor to President Eisenhower, will be the outstanding speaker this evening at Junior Chamber of Commerce Annual Bosses Night Dinner.

Current plans, weather permitting, call for a JC delegation to welcome Mr. Stassen at Buffalo Airport about 2:49 this afternoon, on Capitol Airlines Flight 463. He will be escorted to the American Legion for a welcoming reception.

Earlier plans for Mr. Stassen to fly to Pittsburgh from Washington, and thence to Jamestown by Allegheny Airlines were called off when the flight was cancelled because of bad weather.

At the last minute a National Security Council meeting was called for Wednesday morning which almost resulted in the cancellation of Mr. Stassen's talk. However, Sylvania Electric Products donated one of its planes to take the presidential advisor back to Washington after his speech.

LeRoy Schneck is Toastmaster. Burgess William E. Rice will introduce Stassen and preside over the distinguished service award.

Two Erie TV stations, particularly a camera crew from WICU, will be on hand at the dinner tonight for film clips which will appear on the 11 p. m. news. (This will be the second TV appearance of a local crowd. KDKA-TV in Pittsburgh was present last week to take film clips of the Save Our Valley Association protest meeting in the Court House.)

Court Hands Down Decision On Salary Percentage To Be Paid the County Treasurer

Judge Alexander C. Flick, Jr., has set Treasurer Robert L. Ritchie's salary percentage at 2½ percent for the year 1957.

In an order handed down late this morning, Judge Flick ordered the county to pay its treasurer one and one-fourth percent on all monies received, and one and one-fourth percent on monies spent.

Exception in the latter item, is that Treasurer Ritchie is to receive one-half of one percent on expenditures to the Clemenishaw Company which is reassessing Warren County in a \$98,700 project.

The court order this morning concluded a year-long dispute between County Commissioners and Treasurer Ritchie. The commissioners had offered the treasurer 2½ percent on either the receipts or expenditures, whichever was greater, in their first salary "feeler" which was rejected by the auditors.

Next, the commissioners offered one and one-quarter percent on both expenditures and receipts with a ceiling of \$11,000. After that amount had been spent and received, the salary percentage was to have dropped to one quarter of one percent. This was also refused by the auditors.

Because of certain increases in expenditures of county funds, this salary percentage will bring in an estimated \$2,000 more to Treasurer Ritchie in 1957 than he received in 1956 when his salary was a flat 2½ percent of county expenditures and receipts.

During the hearing Dec. 27, the treasurer pointed out that increased office costs, plus inflation, had forced him to seek a "fair percentage."

Treasurer Homer Bowersox received 2 percent during his last year.

Surrender of Klan Leader Is Ordered By N. C. Sheriff

Lumberton, N. C. (AP)—A South Carolina Ku Klux Klan leader was ordered to surrender today on a charge of inciting a riot between Klansmen and Indians.

Sheriff Malcolm McLeod said that if the Rev. James Cole, 33, of Marion, S. C., did not meet the deadline, he would begin legal proceedings for his arrest in South Carolina.

Cole describes himself as head of the Klan in both Carolinas.

A Robeson County grand jury—composed of three Indians, two Negroes and 13 white men—indicted Cole and Klansman James Garland Martin of Reidsville, N. C., yesterday on charges of inciting riot. In addition, the grand jury cited others of the KKK "unknown to the state."

The charges stemmed from the Klan's short-lived rally Saturday as several hundred Indians, firing shotguns and rifles, drove the Klansmen from the site, near Maxton, 30 miles from here.

After the grand jury action, Superior Court Judge Clawson L. Williams recommended a bond of \$1,000 for Cole. Solicitor prosecutor E. Maurice Braswell immediately issued an arrest order.

Authorities already had custody of Martin, a 37-year-old tobacco plant worker.

COMMITTEE VOTES FUND FOR MISSILES

Washington (AP)—The House Appropriations Committee today voted an emergency \$1,410,000,000 fund to speed missile programs and give more punch to the Air Force retaliatory power.

This is 40 million more than President Eisenhower requested two weeks ago.

The addition is all for the Army, to bolster its missile programs. A last-minute revision doubled the proposed increase by allotting 20 million for the Pershing project, aimed to develop a solid-fuel successor to the Army's 200-mile range Redstone.

Of the total, 1½ million is new cash and 150 million is authority to transfer funds already available. The 40 million dollar increase is in the transfer funds.

The House will consider the committee's action tomorrow and there are indications of a strong drive to boost this sum.

The new money will be made available to the Defense Department immediately to finance space age weapons programs which are developing faster than anticipated.

The Navy is allotted 350 million dollars in new cash, of which 296 million is for construction of firing the Polaris ballistic missile. The committee described the missile-toting subs as a major deterrent to any nation that threatens the peace and a retaliatory weapon of great magnitude. Actually, it added, the Polaris becomes an intercontinental missile when used by submarines that can come within firing range of an enemy's shore.

There are no new funds in the bill directly for the Army. Eisenhower asked for no Army money except \$133,600,000, allotted to the Air Force, to reimburse the Army for work on the Jupiter missile. That transfer was approved and the committee directed the Army to use an additional 40 million through transfer of other funds to

Election Fails to Decide Guatemala's Presidential Issue

Guatemala (AP)—Guatemala's Congress today appeared slated to elect the country's next president. Rightist Gen. Miguel Ydigoras Fuentes had piled up a big lead from Sunday's election but seemed certain of falling short of the needed majority.

Ydigoras, whose supporters in the capital staged bloody riots to nullify the election last October, expressed confidence Congress would choose him if it had to decide the issue. He promised trouble if it didn't.

"I would not make trouble, but the people would," the 62-year-old rightist leader said.

Unofficial returns from all but 30 of the country's 322 municipalities gave Ydigoras 140,802 votes, leftist Mario Mendez Montenegro 98,238 and moderate Joe Luis Cruz Salazar 97,768.

Presidential press officer Fernando Molina said the only areas not heard from were small districts and their count presumably would have little effect on the result. If no candidate tops the combined total of the others, Congress must choose between the two high men.

Candidates from Ydigoras' Reconciliation party also were reported leading in the race for many of the 37 congressional seats being filled to take office in March.

Filipino Mother to Go on Trial Next Week in Franklin

Franklin (AP)—A nervous 21-year-old Filipino mother will go on trial in Venango County Criminal Court next week on a murder charge in the rifle slaying of her Air Force husband.

A grand jury returned a murder indictment against Mrs. Lydia Dean late yesterday. Dist. Atty. Robert T. Grannis said her trial will get under way Monday.

Sheriff J. E. Cunningham said Mrs. Dean showed no emotion when told about the indictment at the county jail.

"She's been nervous all day," the sheriff said. "We're going to have a physician come in to see her. She seems rather depressed."

Her mother, Mrs. Eugene C. Deen, who came here from Baguio City in the Philippines to be with her daughter, said she too, felt a "little nervous."

Asked her reaction to the indictment, Mrs. Deen said: "I expected it. But I have faith in American justice. That's about all I can say."

Mrs. Dean is charged with shooting to death her husband, T-Sgt. Ronald Dean, 28, in his parents' home at Pleasantville last Dec. 7.

Dilworth Is Under Fire From Union For His Remarks

Pittsburgh (AP)—Philadelphia Mayor Richardson Dilworth, a potential candidate for the Democratic gubernatorial nomination, is under fire from union members for remarks attributed to him about the state's "lockout ruling" in the long Westinghouse Electric Corp. strike of 1955-56.

Dilworth was quoted Sunday as saying his part in recommending that a portion of the strike be ruled a lockout and the strikers made eligible for jobless pay was "irresponsible" and a mistake.

Union locals representing nearly 20,000 Westinghouse employees yesterday bombarded Dilworth with telegrams of protest against his remarks.

Local 601 International Union of Electrical Workers, AFL-CIO, representing 10,000 employees at East Pittsburgh, was joined by IUE locals in Sharon and Philadelphia in asking Dilworth to verify his statements.

Dilworth said he recommended to Gov. Leader that the strike be called a lockout from Dec. 19, 1955, until mid-February, 1956.

The state ruled Westinghouse had refused an offer from Leader to arbitrate the dispute.

Agreement Is Reached Between DeLuxe Union and Company

UE Local 633 members yesterday voted to accept a general 10 cents an hour increase and end the wage dispute at DeLuxe Metal Furniture Company after ratifying new contract proposals at a general meeting Monday afternoon.

The 145 union members returned to work Monday while labor-management bargaining sessions continued. The plant had been idled last Tuesday.

The new contract agreement, continuing until April 1, 1959, provides a general 10 cents per hour wage increase, a raise of 12 cents per hour in the night shift differential, liberalized vacation plan, improvements in insurance benefits, severance pay and other contract improvements.

Pickets who carried placards bearing the slogan "company

lockout" were removed from the plant Saturday before a union meeting where it was agreed to return to work on Monday while bargaining continued. DeLuxe officials said a work "slowdown" forced them to send the workers home.

Specific items in the new contract call for:

1. Ten cent per hour hourly increase.

2. Increased hospital benefits to equal the Warren General Hospital semi-private room rates (currently \$12.50 per day).

3. Increase of hospital expense allowance from \$200 to \$230.

4. Increased weekly benefit from \$25 to \$30.

5. One day's bereavement pay for death in immediate family.

The NEA newschart, above, reflects data in President Eisenhower's economic report to Congress. In his report, the President says: "... as we look ahead in 1958, there are grounds for expecting that the decline in business activity need not be prolonged and that economic growth can be resumed without extended interruption." Newschart, which accompanies the report, is from Department of Commerce and Council of Economic Advisers data. It traces shifts in major components of demand over past four years. Business fixed investment leveled off in 1957, and the rate of inventory accumulation declined. Federal outlays, after rising for a year, were reduced in the second half of '57. They are expected to rise early in '58.

LOTS FOR THE SLOTS—In 1957 gadget-loving Americans dropped nearly 2.25 billion dollars' worth of coins into nearly 3.5 million vending machines that dispense everything from cigarettes and soft drinks to complete hot meals, according to the National Automatic Merchandising Association. More than 6 out of 10 American factories use vending machines to provide refreshment service for their workers and 1 out of 5 plants use vending machines exclusively for employee feeding. Thousands of business offices have machines that dispense coffee, pastry, soft drinks and other refreshment items. The 2.25 billion dollar sales volume represents an increase of nearly 500 per cent since 1950.

Deaf Man Perfects Cordless Hearing Aid

PEORIA, ILL. (Special)—H. A. Lyons, who himself has been hard of hearing for over 25 years, today announced the perfection of a miniature electronic hearing aid that is so small it is all worn on one ear.

It weighs but a fraction of an ounce and can be slipped on and off easier than a pair of eye glasses. Wearer gets all-directional pick-up and normal use of telephone. There is no clothing interference because it is worn at the ear, which is the natural way to hear.

Since the aid is tiny and is worn tucked behind the ear, it is practically invisible. Mr. Lyons stated that, although it is powerful enough to fit the most severe hearing loss, it can also be adjusted for the millions of slightly hard of hearing who feel they are not deaf enough to bother with the more cumbersome aids.

It is suggested, if interested for yourself or a friend, to write to Tonemaster Manufacturing Company, 128 South Monroe Street, Dept. B-1, Peoria, Illinois, and he will be glad to send information at no cost or obligation to you.—Adv.

Mr. Lyons will be at the Erie Hearing Aid Center, 1201 State St., Erie, Pa. on January 23, 24 and 25 for free consultation with anyone wearing a hearing aid or having a hearing problem.

MRS. BERTHA BARNES

Barnes—Relatives here have received word of the death of Mrs. Bertha Barnes at Centralia, Wash. Widow of Cole Barnes and former local resident, she will be remembered as Bertha Pequeen. Surviving is a daughter in Centralia, also several brothers here in the east.

SUE MCGILL LINTON

Word has been received here that Mrs. Sue McGill Linton, former resident of Tidoute, died at Gerry, N. Y., January 18, after a prolonged illness.

Born and raised in Tidoute, she was a faithful member of the Free Methodist church at that place. Mrs. Linton was well known throughout the area, especially by people of the church. Although she had been unable to attend services for some time, news of her passing brought a sense of sadness to all who knew her. She was the last of the charter members enrolled when the society was organized. She was constant in her loyalty and filled commendably any office to which she was elected.

LESTER J. HALE

Lester Joseph Hale, aged 59 and well known resident of the Akeley area, died at the family home at 3:45 a. m. today after an illness of several months.

Mr. Hale was born at Akeley June 22, 1898, and had spent his entire lifetime in that community. owning and operating a general store for 38 years and serving as postmaster for 12 years. He was also superintendent of the Rouse Home at Lonsville from 1940 until 1945. Mr. Hale was a member of Akeley Methodist church and Akeley Grange.

Besides his wife, Hazel Marker Hale, he leaves three children, Mrs. Willard Munson, of Berwick; William Hale, Akeley; Mrs. Robert Garrison, Warren; three grandchildren; also two brothers, Howard P. Hale, Lewiston, N. Y., and W. Thurber Hale, Washington, D. C.

His pastor, the Rev. Clifford C. Headland, will conduct funeral services at 8:30 p. m. Thursday in a local funeral home and interment will follow in Hale cemetery at Akeley. In lieu of flowers, the family asks that contributions be made to the Cancer Fund or to the Akeley church.

MISS CLOIE WEILER

Miss Cloie Weiler, lifelong resident of Warren county, died at 6:00 p. m. Monday at Watson Memorial Home, where she had resided for a number of years.

Miss Weiler was born in Conevango township October 29, 1871, but had lived in Warren for the past 17 years. She taught school in her early years in Conevango township, was a graduate of Hamot Hospital School of Nursing in Erie and was the first registered nurse in Warren county. She was also the oldest member of First Evangelical United Brethren church. Only close survivors are several nieces and nephews.

The Rev. J. C. Wygant of Franklin, former pastor of First EUB church, will conduct funeral services at 2:00 p. m. Thursday and interment will follow in Yankee Bush cemetery.

Funerals

LESTER J. HALE

Friends will be received at the Lutz-VerMilyea Home at the usual calling hours, starting at 2:00 p. m. Wednesday, and services will be held there at 3:30 p. m. Thursday. The Rev. Clifford C. Headland, of Akeley Methodist church, will officiate and interment will follow in Hale cemetery at Akeley.

MISS CLOIE WEILER

Friends will be received at the Lutz-VerMilyea Home at the usual calling hours, starting at 2:00 p. m. Wednesday, and services will be held there at 2:00 p. m. Thursday. The Rev. J. C. Wygant of Franklin, former pastor of First EUB church, will officiate and interment will follow in Yankee Bush cemetery.

Coming from Penn State are Lewis Gwin, social studies and geography under Robert Fey; Dennis Castelli, social studies Ralph Brown and English under Carl Harrison at Beatty; Francis Glasser, mathematics and chemistry under Warren Carr, Warren High School.

Police Investigate Two At Pennsylvania, Parker

Edward H. Allen, 35, of 800 Pennsylvania Avenue East was charged with leaving the scene of an accident about 7:40 last night when he failed to stop after striking another car in the rear on Pennsylvania Avenue East.

According to police, Cornelius R. Graebner, 65, of 107 Grant Street, was heading east on the avenue and slowed to pull into the Texaco Station. As he did so Allen crashed into the rear of his machine, inflicting \$50 damage to his own car and an estimated \$100 to the Graebner machine.

Allen pleaded guilty when arraigned before Peace Justice Martha Lawson this morning. He was jailed in lieu of \$300 cash bail to await a court appearance.

At 7:13 a. m. today, a second mishap occurred near the intersection of Pennsylvania Avenue and Parker Street.

Police said Ernest E. Huber, 62, of 1704 Pennsylvania Avenue East, was proceeding east along the avenue when he started to park at the south curb across from his home. As he started this maneuver, Robert Anderson, 24, of RD 1, Warren, started to pass him on the right, according to police.

The Anderson machine sustained a \$50 dent as it struck the right hand side. The Anderson car sustained an estimated \$200 damages.

MACHINE FOR A HEART—Doctors gather around an operating table, left, in Philadelphia's Jefferson Hospital for a rare heart operation on eight-year-old Joanne Lazorack of Waymart, Pa. Three specialists check a heart-lung machine which functioned for Joanne's heart for six minutes as the surgeons corrected an obstruction between the right side of her heart and her lungs. The machine, developed by Dr. John H. Gibbon Jr. in 1953, left the girl's heart "dry" for the open-vision surgery. At right, Dr. John L. Templeton III, chief surgeon for the operation, listens to the repaired heart as Joanne comes out of the anesthesia. Authorities say she should walk out of the hospital well and sound in three weeks.

CHANGING TIMES—It's the old versus the new in this dramatic demonstration of rice planting in Kaohsiung, Formosa. Barefoot farmer, left, uses the traditional plow drawn by a water buffalo, while an agricultural student works with a modern power tiller. Although the water buffalo has not been replaced on the island, use of the power tiller on rice farms means a change to more efficient cultivation methods. The tiller, powered by a 2½-horsepower motor, can do the work of two of the sturdy beasts.

Survey Shows What Men Like in Women's Fashions

Dallas (AP) — Mrs. Virginia L. Gambrell, director of the Dallas Historical Society Museum, says "women haven't been dressing to suit men much of the time since 1830."

She said during the State Fair, 26,000 male votes were cast at an exhibit titled "What Do Men Like in Women's Fashions?" Female garb since 1830 was exhibited.

Mrs. Gambrell, in the museum's annual report to the city council yesterday, said "the favorite was a 1907 dress which was softly feminine—and left no doubt that it contained a lady, not potatoes."

NEW STREET FOR SLIDING

Burgess William E. Rice this morning announced that barricades have been placed on Seneca Street from the school to Biddle Street to safeguard kiddies who have been using the slight slope for sledding. All motorists, and kiddies, are urged to use maximum caution in coasting area, with both type vehicles liable to be under only partial control.

SEWAGE SYSTEM FOR FREE

Butler, (AP) — Commissioners of Butler Twp. will go to New York Feb. 3 to accept title for the sewage disposal plant and incinerator at the Deshon Veterans Administration Hospital. They received word last night the Veterans Administration in Washington had transferred the facilities, valued at \$200,000 to the township as excess property. The township will operate the sewage system and incinerator to serve area residents and the hospital.

SEAMASTER PASSES TEST

Baltimore (AP)—Martin Co.'s remodeled jet-engined Seamaster passed its first flight test yesterday. The huge seaplane capable of flying 600 miles an hour was tried out in the air for an hour, 55 minutes under observation of the Navy. The first two experimental models of the plane designed for mine laying blew up. The trouble was blamed on the tail.

term in office in 1955. That year Bowersox received \$8,767, according to testimony given during the December hearing. Ritchie, in 1956 when the salary percentage was upped one-half of one percent, would have netted slightly over \$9,000, according to testimony.

Court costs for the hearing and the case will be paid by the county.

In his order, Judge Flick said: the 1½ percent would apply on "all monies received by him (Ritchie) into the General Fund, the Institution District Fund, and the Liquid Fuels Tax Fund; and also on all monies paid by him from the General Fund, the Institution District Fund and the Liquid Fuels Tax Fund," except for the Clemenishaw Company re-assessment rate which is to be one-half of one percent.

The treasurer will also receive one and one-fourth percent of monies paid out and received for Rouse Estate transactions and \$50 for services connected with Warren County Retirement Fund, read the order.

Concluded the order: "the aforesaid percentage rate of compensation shall not apply to and shall not be computed on monies transferred from the General Fund to any other County Fund or on monies transferred from another Fund to the General Fund, or on monies transferred from one Special Fund to another."

Auditors are still waiting for the Commissioners to come to terms with the Sheriff's expense account before the 1957 books can be closed.

speed its LaCrosse, Little John, Pershing and Sergeant missiles. Eisenhower had not requested this transfer for acceleration of the Army's so-called "second generation" missile program.

The committee approved the President's request that he be allowed to use 10 million dollars of available funds for the new Advanced Research Projects Agency. It also granted his request for permission to transfer an additional 100 million from other funds into the emergency defense fund for unforeseeable and promising research work. The committee said it expected some of the 100 million to be used to step up the Titan missile and the antimissile missile programs.

Confair, who is a candidate for the Republican nomination for state senator, said the association would make a statement later in the day spelling out in detail its views on the situation.

Highways Secretary Lewis M. Stevens said no final decision has been made on when the first dirt will fly on the 300 million dollar project that is expected to take 10 to 15 years to complete.

D. J. DRISCOLL

The Times-Mirror joins with his many other friends and admirers throughout the district, state and nation in mourning the death of the Honorable D. J. Driscoll, who passed away in his home at St. Marys Saturday evening at the age of 86.

It was while he was representative in Congress from this district from 1935 to 1937 that residents of this area learned to know and love this colorful figure from Elk county. At that time the district was comprised of Elk, Forest, Warren, Clarion, Venango and Mercer. It was in 1937 that Gov. George H. Earle appointed Mr. Driscoll chairman of the Pennsylvania Public Utility Commission. Mr. Driscoll served in this capacity until 1941 when he resigned to become a trustee of the Associated Gas & Electric Co., which was in Federal court receivership, a post he accepted at the personal request of President Franklin D. Roosevelt completing his duties in this connection in 1946. He was a delegate or alternate to five Democratic national conventions which covered a span from Al Smith to Adlai Stevenson, and many of those trips were made with the late S. E. Walker, founder of the Times Publishing Company.

He was a prominent Democrat on the local and state level, but it was a loveable characteristic of Denny Driscoll that he never permitted politics to interfere with friendships. For fifty years he carried on a flourishing law practice during which time he gained fame for his ability as a trial lawyer. He retired from active politics in 1946, but retained an active interest in all affairs to the last.

DEFENSE DEPARTMENT CHANGES

According to James Dawson, Associated Press feature writer in his column "The World Today" President Eisenhower has talked three times recently about reorganizing the Defense Department. It's still not clear what he intends to do. He talked speed, then seemed not to be talking speed, and now talks speed again.

It's not clear what anyone else, including Congress, intends to do about it, either. One thing is sure: the department has been under blazing attack for red tape, doubletalk, delay and interservice rivalry.

In particular the joint chiefs of staff (JCS) system has been attacked—and defended. Gen. Nathan F. Twining, appointed by Eisenhower, is chairman of the JCS, which is made up of the heads of each of the three armed services.

Last night in a speech to Republicans in Chicago he again indicated a need for speed. He talked to "prompt and effective modernization" of the Defense Department.

WELCOME, MR. STASSEN!

The welcome mat is out for Warren's distinguished visitor Harold E. Stassen, special Presidential Advisor on Disarmament, who will deliver the address at the annual Jaycee Bosses' Night dinner at Beaty Cafeteria.

The presence of this distinguished statesman, former governor of Minnesota, ex-president of the University of Pennsylvania, author and lecturer, will highlight the local observance of National Jaycee Week, and proves another red-letter event in the long and successful history of the Warren Chapter.

We are happy to join in the greeting that awaits this outstanding visitor and congratulate the Jaycees on their enterprise in bringing such a noted leader to the community.

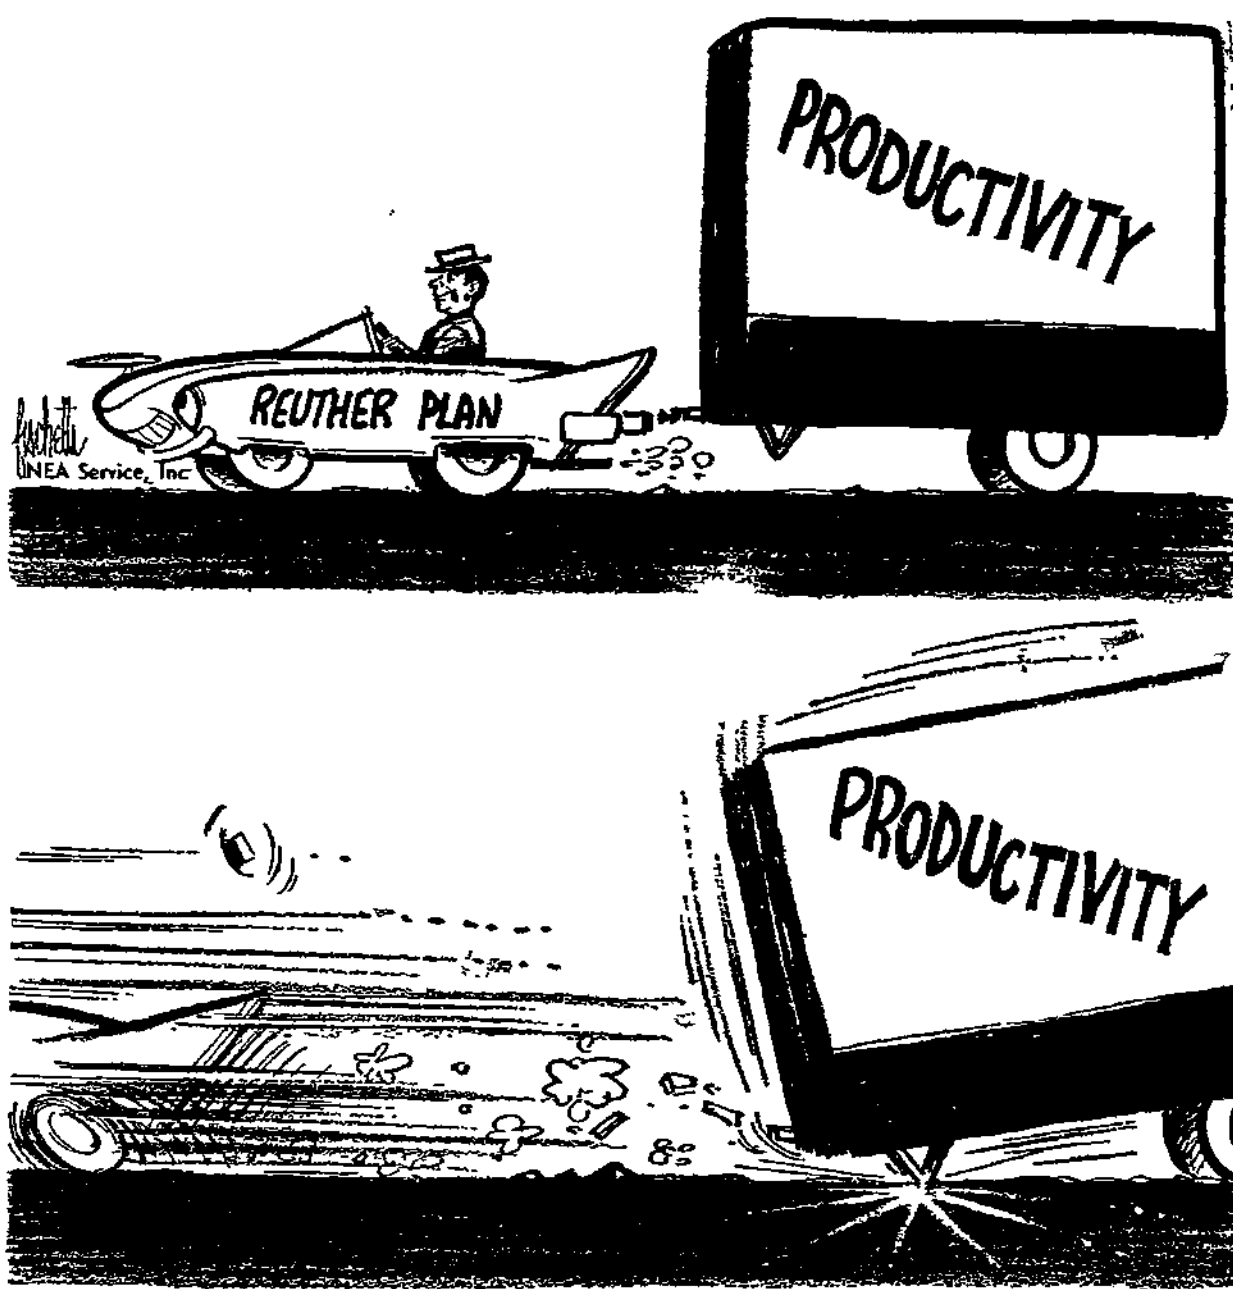

Most popular place for youngsters these zipping winter evenings is the Beaty ice rink—thanks to the farsightedness and enthusiasm of the Jaycees, in co-operation with borough officials.

THOUGHTS FOR TODAY

There came unto him a woman having an alabaster box of very precious ointment, and poured it on his head, as he sat at meat.—Matthew 26:7.

Traveling Light

Here and There

A much-tossed around problem for fifty years ago, was the annexation of Gladerun and other sections near the Borough line. Taken from the Warren Mirror, January 17, 1908, is the following report by a citizen on the matter: "I want to say a few words regarding annexation, as I am quite sure the council and citizens are not aware of its consequences and undesirability to Warren Borough. It seems to be the general opinion that to annex adjoining properties to the Borough is a benefit to the Borough at large, but this is a mistaken idea. It means a continued outlay with insufficient revenue to pay for its improvement. For example I will illustrate the manner in which the Seventh Ward came into the Borough. The Seventh Ward, like all other wards, and like Gladerun, presented a petition to the Council asking for annexation, stating that all they wanted was the benefit of our schools, and that nothing else was expected at present. But inside of one year they asked for lights, then for sewers, then for new cross walks, then for sidewalk grades, then for street grades, all of which has been granted. And because some people living on The Crescent built their homes too close to the street line, the council kindly allowed the sidewalk to be placed six feet from the curb, and I venture to say that line will never be placed back where it belongs. When you extend sidewalks in this manner it means to surrender property that does not belong to you, and no council has such a right. Bear this in mind, when they came in all they wanted was the benefit of our schools, this is what has been done for them. Now see how little they have paid toward all the improvements they have received. The assessed valuation of the Seventh Ward is \$188,800, and the millage at twelve mills amounts to a total of \$2,266.40 that the Seventh Ward pays into Warren Borough. There has already been paid out more money in the Seventh Ward than the Borough can realize from her taxes in ten years to come. Since its annexation it has become necessary to raise the millage of the Borough two mills, possibly not for

this ward alone, but its sewers and other improvements have had much to do with it. The proportion of taxes that Warren Borough receives from the seventh ward is but one twenty-fifth, and its maintenance at present is costing the Borough more money than three times this amount.

"... Now this is what you have done for the Seventh Ward, you gave them every modern improvement, beyond what the Borough could afford. Don't you think it is time to call a halt on the Seventh? You have increased the taxes on all the other wards to help pay this indebtedness, and the other wards you haven't even taken care of in a proper manner. Now why open up your arms and take Gladerun in and go through with a similar transaction?

"Two years ago you extended borough line in the West End, taking in additional property, what was the result? You built a retaining wall, fixed sidewalk grades and streets. You forgot all about the Fourth Ward, which has the poorest streets, and at times are almost impossible to travel on. Had the money you have expended in the different localities you have annexed been spent by the Borough proper, much improvement could have been made.

"I believe in keeping out Gladerun until they are in a proper shape to be received. Say to Gladerun, put in your sewers, grade your streets, fix your sidewalks, build your cross walks, come as you should, and not ask the taxpayers of the Borough of Warren to burden themselves with taxes by taking you into Warren Borough in your present condition.

"The trouble with Warren Borough is it is annexation poor today. What you have annexed is as large an area as the other wards and the proportion of your revenue is so small that it will not take care of it, and you simply neglect the old ward and pay out the money for the annexed property.

"Mr. Councilman, consider what your ward is paying the Borough, and see that something is done for it, and let the revenue of the Seventh take care of it. It is like a new born babe, you will raise, pay for its shoes, stockings and clothes, and for its modernization and all at the expense of Father Warren. Father Warren can't help you, for his money won't take care of what he has now."

Congress Fired on From All Sides to Revise Tax Laws

BY PETER EDSON
NEA Washington Correspondent

WASHINGTON—(NEA)—Pressures are mounting in Congress to do some high, wide and handsome revising of the tax laws. This doesn't make much sense in the light of demands for more government spending on missiles. But people never stay satisfied with tax rates, particularly when they're high.

The Eisenhower administration thinks it did a pretty good job of tax revision in 1954, with cuts of over 7½ billion dollars. The line now is that what was done in 1954 was all right, but there should be more of it.

Advocates of tax "reform" now make the pitch that it would help end the business recession, stimulate dynamic growth of the economy and increase tax collections even though certain tax rates might be reduced.

National Association of Manufacturers spokesmen want individual income tax rates cut to a minimum of 15 per cent from the present 20 per cent. The maximum would be 42 per cent in place of the present 91 per cent. Corporate tax rates would also be cut to 42 per cent from the present 52.

THIS WOULD ADMITTEDLY give a better break to higher bracket taxpayers. It is justified on the grounds that tax rates above 50 per cent now bring in only a billion dollars, or 3 per cent of the total of 37 billion now collected.

Also, it is admitted that high income tax rates now give people an incentive to cheat the tax collectors.

A cut in capital gains tax rates might unfreeze a lot of capital which investors now cling to rather than pay a 25 per cent tax on their profits. This is a theory which can't be proved without trying.

Another proposal is to treat capital gains as ordinary income, paying the same tax rate. This is opposed on the theory that it would drive capital from risk investments into safer things, thus slowing up economic growth.

FROM A POLITICAL standpoint, reductions in capital gains tax rates can't be made unless similar cuts are given lower bracket income taxpayers who don't hold investments.

President Keith Funston of New York Stock Exchange has lobbied for increasing the 1954 dividend income credit from 4 to 10 per cent. The argument is that this would stimulate new investment. On the other hand, AFL-CIO spokesmen argue that the dividend income credit should be ended.

President Eisenhower now favors tax concessions to aid small business, though they were opposed last year.

The new concessions will not be reductions in tax rates, but technical changes. They will allow some small corporations to receive tax treatment like partnerships, spread out estate taxes and permit greater depreciation on secondhand equipment.

U.S. CHAMBER OF COMMERCE is lobbying for changes in present depreciation calculation formulas.

There is some agitation to end the split income provision which now gives married couples lower taxes than single people. One proposed remedy for this is to require separate tax returns if both husband and wife have income.

Some tax concession for parents with children in college seems bound to come out of the new Congress. It may cost the Treasury as much as 200 million dollars a year. A straight subsidy to selected students might be cheaper.

SOCIETY

MRS. JOHN E. LOVE

—Gill Studio

Performing a double ring ceremony December 28 in Pisgah Presbyterian church at Corsica, Pa., Dr. F. Benton Shoemaker united in marriage two young people of that community, Margaret Lucille, daughter of Mr. and Mrs. Clover E. Oroutt, and John E. Love, son of Mr. and Mrs. W. W. Love. Providing the wedding music were Elizabeth Leathers, organist, and Ann Leathers, vocalist, cousins of the bride from Pittsburgh.

Given in marriage by her father, the bride wore a white lace and tulle over tulle, the bouffant skirt ending in a chapel sweep and carried a cascade of white carnations, roses and carnations. A matching half-hat of lace and net, adorned with seed pearls and sequins, held her fingertip veil of French illusion and her pearl earrings were the bridegroom's gift.

In ballerina gowns of nylon chiffon and velveteen, the maid of honor was Delores Benson; bridesmaids were Marilyn Sharrow, Clarion, and Larue Love, Cleveland, O. All wore matching half-hats of lace and velvet and carried pink carnation cascades. The flower girl, Karen Kennedy of Corsica, wore blue chiffon and net and carried a small colonial bouquet of pink and white carnations.

James Calderwood, cousin of the bride from Sigel, was ring bearer; completing the bridal party were the bridegroom's brothers, William and Irwin Love, and another cousin of the bride, James Cook of Clarion.

Wearing white carnations, Mrs. Oroutt was in a medium blue outfit, Mrs. Love in mauve and white. The reception for 125 guests followed in the church social rooms, where Mrs. Robert Moore, Mrs. Nancy Simpson and Vada Marie Oakley poured; other aides were members of Philomena Young Adult Class.

For a wedding trip to eastern Pennsylvania, the bride was costumed in light blue wool, with matching and black accessories. The couple will reside in Beulah road, Pittsburgh. Both are graduates of Clarion State Teachers' College. She attended Penn State University and is a teacher in Wil-

The Mature Parent

Acceptance, Not Reproach
Brings Comfort in Grief

BY MRS. MURIEL LAWRENCE

MRS. W. has four young children. Two months ago her widowed mother died in a nursing home.

She writes, "My husband felt I had too much to do to take care of her. I agreed to put her in a home, though I knew she wanted to stay with me. Now I wish to God I hadn't. I can't get over her dying in that place alone. Help me. I'm even losing interest in my children."

Once, death took one man's entire family. Like Mrs. W., he hated himself because he hadn't arranged things better and protected them against their dreadful end. A good man, he couldn't understand how his goodness had merited such affliction. Friends couldn't reach his despair. Time, instead of easing his grief, increased its tensions unendurably.

Then God spoke to him. God said, "I time the coming and going of tides and seasons. I balance the relationships of stars. Clouds move on my order. Are you criticizing my arrangements of life and death? Are you instructing me?"

THESE words worked on the man like a rush of rain on a hot summer day. Tension left him.

The Bible says Job cried out to God, "I repent me! Until now I'd only heard about you. Now I see you."

The story of Job is the eternal story of our struggle to accept the limitations of our power to control the welfare of those we love. It can heal Mrs. W.'s grieving self-accusation. I know, because it is what broke for me the tensions involved in the recent death of my mother.

IN us all is a child who believes himself omnipotent.

As children, we think we can make Mommy materialize by yelling for her. By flapping our arms in a certain way, we're sure we can fly over the treetops. By blowing out our birthday cake candles, we're sure we'll get our secret wish for a bicycle.

By keeping a dying parent with us, we know we can take fine care of her though we must look after a husband and four babies at the same time.

But we are expecting unlimited powers from ourselves. When mother dies, our failure to exert them fills us with self-reproach. The tension of our grief is rage at our inability to change what was into what we think it should have been.

We need to see God. We need to weep with relief arrange life and death.

OFF-BEAT BIDS
CAN HIT SLAM

By OSWALD JACOBY
 Written for NEA Service

North and South have a lay down for a small slam since all South need do is draw trumps, establish dummy's clubs by ruffing one and get over to dummy with the king of hearts.

When I watched the hand played North and South reached game all right but never came near to the slam and there was considerable discussion as to how the hand should have been bid.

Everyone agreed that if North opened with two clubs, six spades would be a cinch to get to but they also felt that North's hand should be opened one only.

The final decision was that North should have bid irregularly but strongly in order to get to the small slam. His first rebid should have been a mere three clubs. He would take a chance that South would pass this but it wouldn't be much of a chance.

Actually South would have rebid three hearts, whereupon North would have gone to three spades only. This bid would, of course, have been a force and South would have gone to the spade game.

At that point North would come out of his shell and bid four no-trump. South would show one ace and North would jump to six spades.

Rather unusual bidding on North's part but at least a way to get to the slam.

Eyeglasses Conceal Aid
For Prettier HearingBY ALICIA HART
NEA Beauty Editor

IT'S no fun to miss two-thirds of every conversation, and it's embarrassing to constantly have to ask friends to repeat what was said. Consequently, women whose hearing is impaired are very often reluctant to go out socially.

If you like to look attractive—and who doesn't?—you may feel that your appearance suffers when you wear a hearing aid. And so you shy away from spending evenings at the theater or at parties with your friends.

Aware of this problem, a famous maker of hearing aids has now designed an aid that is completely concealed in slim, smart-looking eyeglasses. These glasses come in attractive styles and can be fitted with hearing aids for either one or both ears. They permit the wearer to have the benefits of true ear-level binaural hearing, the manufacturer claims.

This new way to hear clearly should give pleasure to many women, for they'll find they can attend any function without fear of looking conspicuous.

These pretty eyeglasses conceal a second aid to beauty: a hearing aid hidden in the temple pieces. This frame is in high fashion black with silver trim.

Elections and Reports Highlights
Of St. Paul's Annual Parish Session

Elections were a feature of the annual meeting of St. Paul's Evangelical Lutheran church, with David Anderson, James Greenlund and Melbourne Karlson named to three-year terms as deacons; Howard Ford, Richard Munch and John Novak, three-year trustee terms, and Jack Kammer, one year as trustee, to succeed Norman Smith, who has moved from town.

Re-elected were the congregation secretary, Mrs. Clifford Terry; Sunday school superintendent, Russell Thelin; assistants, C. Walter Johnson and Raymond Danielson; head usher, Harry Leafstrom; assistant, Lawrence Carlson.

Bernard Bloom was named auditor for three years; Mrs. Laverne Mathus, Harriet Carlson and Ann Draheim, nominating committee; Elmer Bloom, New York Conference delegate to Florida in April; Mrs. David Anderson, delegate, and Mrs. Melbourne Karlson, alternate, to the District meeting in the fall.

The session opened with a congregational hymn, scripture and prayer by Pastor Carl Nelson. The minister gave a full report of his pastorate in Warren, since August 1, 1957, expressed his personal joy

in coming to St. Paul's and stated his family shares in this feeling. In his acceptance, Warren Rohlin, secretary of the board of administration, added a word of deep appreciation for the work and guidance of Pastor Nelson.

Routine reports were accepted and placed on file; Russell Thelin reported on work in the Sunday school and advancement of the new parish house, in which nursery, kindergarten and primary departments are already using and where intermediate and senior groups will soon be transferred.

The board of administration presented a list of resolutions, which was adopted, including approval of a budget of \$27,570. It was voted to sponsor a boy and a girl to the Leadership Training School at Mt. Tremper, Luther Leagueurs to make the selection for church council's acceptance.

Pastor Nelson expressed a desire to have two Easter services; earlier Sunday services during the summer were discussed, and both matters referred to the board of deacons. It was also voted to ascertain a date for the annual picnic; and to hold Christmas services at 11:00 Christmas Eve.

The meeting closed with a congregational hymn, prayer and benediction by the pastor. For a social hour in the church parlors, refreshments were served by rotating board members and wives. Creed Erickson, Folke Odmark and Curtis Sasserstrom, trustees; C. Walter Johnson, Raymond Danielson and Warren Rohlin, deacons.

FRANCES CIRCLE
 Members of Frances Circle of Epworth Methodist church were entertained at the home of Mrs. Lena Woodruff, 78 Pleasant Drive, with 11 persons in attendance. The business session was conducted by Mrs. Jane Jones, with devotions in charge of the hostess and Mrs. Thea Soderberg reviewing a chapter of the study book, "The Kingdom Beyond Caste". Members worked on quilt blocks and, during the pleasant social hour which followed, the hostess served refreshments.

IT CLASS MEETS

The IT Class met in the social rooms of Epworth Methodist church, with 17 members present. President Camilla Thompson opened the meeting, the worship service was in charge of Mrs. Iva Belle Richael, with Mrs. Laura Johnson having devotions. Members worked on afghan blocks. Hostesses, Agnes Ryberg and Bertha Granquist, served refreshments from a prettily-decorated table.

MARCONI WINNERS

Playing against a North-South average of 70 in last night's Marconi Bridge Club tourney, top scorers in this field were M. A. Kornreich and Sylvester Mullen, 85½; A. J. Bova and Joseph A. Scalise, 83½; Mrs. Helen Rockwell and Al Loranger, 81; Mrs. Marshall Johnson and Mrs. Jessie Sandrock, 68.

Average for East-West play was 60, with Mrs. M. A. Kornreich and Mrs. John Timmis leading with 69; J. A. Bevevino and D. L. Vetter, 67½; Mrs. George Sarvis and Henry Hunzinger, 64½; James R. Valone and H. D. Kopf, Jr., 60½.

Hears of Benefit Party

At the regular meeting of Community PTA Council, held at Jefferson School, David Olson reported on a meeting of the Scholarship Fund Committee and announced tickets have been placed on sale for the annual benefit card party to be held in Beauty Junior High School cafeteria February 6.

He also stated the qualifications committee has been appointed for this year's Scholarship Fund winner and the high school guidance office is accepting applications from those interested in securing such an award.

Mrs. Rulander, president, was in charge of the meeting, routine including the treasurer's report, presented and approved for audit.

Mrs. Rulander has been asked to serve on the National Library Committee, which now has local representation. The chairman of the committee advised that any units wishing a speaker on the library program may arrange same by calling Dr. Whipple or Mrs. Rulander.

Mrs. Pauline Knowlton reported on the play project, stating the next offering will be "Robin Hood's Treasurer", to be presented at Beauty School March 19. It was suggested sales be "pushed" by both students and parents in order that the project might be a financial success.

Mr. Frantz reported on the Youth Canteen and the prospective renovation program.

At the close of the meeting, refreshments were served by the Seneca committee.

Presbyterian Speaker

The Rev. August H. Wessels, Pennsylvania representative of the American Leprosy Missions, will be the leader at the opening session of the School of Missions in First Presbyterian church Wednesday evening. The school, which will be conducted from 7:00 until 8:00 p. m., will be held each Wednesday evening for four weeks.

Mr. Wessels holds degrees from University of Dubuque, Princeton Theological Seminary, and Presbyterian Seminary of Louisville, Ky., and has done graduate work at Johns Hopkins University. He has been with the American Leprosy Missions since 1951 and has a wealth of knowledge about leprosy and the latest that is being done for patients, both medically and spiritually.

Both adults and young people of the community are invited to hear his lecture tomorrow evening.

More Than Hundred Attend Annual Dinner-Meeting of the Local YWCA

The annual dinner-meeting of the Warren YWCA was held Monday evening, with well over 100 persons in attendance.

Preceding dinner, punch was served by the YW and, at 6:15, guests were seated at attractively-decorated tables depicting each month of the year and were served a sumptuous dinner catered by Mrs. Vers Nesmith.

Mrs. Roger Thoma gave the invocation and Mrs. Robert Whitehill served as toastmistress.

Following dinner, Mrs. Whitehill introduced several guests, Patricia Ross, Y-Teen president, Mrs. Julius Thorn, wife of the YWCA secretary, Charles Tranter, executive vice president of Warren Area Chamber of Commerce; Mrs. U. S. Rogers, one of the oldest members of the "Y". Group singing was then enjoyed under the leadership of Mrs. Joseph DeFrees, with accompaniment by Mrs. Carl E. Whipple.

Mrs. James Nordine, president, conducted the annual business session, when the following board members were unanimously elected:

Mrs. Milton Witz and Mrs. S. M. McClure, renamed for three years; Mrs. James Miller, Mrs. James Frantz, Mrs. Kenneth Midgah, Mrs. Robert Wilder and Mrs. Louis, three years; Mrs. Karl Timm, two years; Margaret Corbin, one year.

Named as nominating committee were Mrs. Henry Christensen, Mrs. Louis Land, Mrs. Richard Kerven, Mrs. Herbert Stone, Mrs. William Lutz and Mrs. Ralph Van Ord.

Serving as 1957 board members have been Mrs. James Nordine, Mrs. Francis Morris, Mrs. S. M. McClure, Mrs. Royce Black, Mrs. R. M. These Styles Follow Body Curves

Soft and easy lines characterize many of the very feminine fashions for resort and spring wear. Dress with gentle tailoring (left) is by Addie Masters in sheer dacron and wool. We show it in gray with little touches of white at neck and sleeves. A simple one-piece dress with two-piece look (center) is by Mollie Paris in glowing sun orange. Fabric is dacron

blended with flax. Though this dress suggests the chemise, it follows the body lines. Ensemble by Dorothy Korb in orlon-and-wool jersey (right) has cardigan embroidered in silvery metallic thread. It's ideal for travel since it packs well and emerges from a suitcase without a wrinkle. All three fashions take minimum care to look well.

NEW YORK—(NEA)—The best that can be said for the sad sack is that it has had a further jolting influence on resort and spring fashions. But since softer lines were on their way in any case, it's difficult to say just how much credit can be given to the chemise.

In its extreme, or sack form, it would be a task to find a more unbecoming fashion than the chemise. It does nothing for any woman and it takes a young, very slim and extremely attractive girl to get away with it at all. In the modified versions, it is a wearable and softer version of the sheath.

The chemise with the straight back and a shaped and belted front is one version that the slim and shapely can wear. And the two-piece chemise, with defined

BY GAILE DUGAS, NEA Women's Editor

and slightly lower waistline, is another fashion for the youthful. This easy-waisted look applies to the over-blouse, the middy and the looser jacket, all worn with slim or box - pleated, straight-hanging skirts.

The bloused form of the looser silhouette appears in cardigans and in two-piece dresses as well as in the one-piece version. By and large, however, the most

popular cardigan for both resort and spring wear is cropped at the waistline. This way it's paired with a full chiffon skirt for resort evening wear and will undoubtedly carry on into summer.

These dressy cardigans, layers of cashmere and lace with silk chiffon linings and fur trim, continue in popularity. Despite their fragile look, they offer the warmth of a wrap because of the layers of fabric and cashmere involved.

Gathered From The Party Line

Westminster Book Store in Philadelphia honored the Rev. G. Hall Todd recently with an autograph party which was attended by his many friends in that city. The occasion was publication of his new book, "Gamblers At Golgotha", second series of studies in sermon form by Dr. Todd, and recommended by his publisher as "good Easter reading". The former Warren man's first published book, "Seven Words of Love", is now in its second printing.

Pictured in a Huntingdon, W. Va., daily is Mrs. Dale Dremann, the former Joanna Spatafore, daughter of Mr. and Mrs. Thomas Spatafore of 109 Wetmore street, Warren Head pediatric nurse at Cabell-Huntingdon Hospital, Mrs. Dremann is shown accepting the first volume of a new library for the children's ward. Graduate of Warren High and St. Elizabeth's School of Nursing in Indiana, she is married to Dale Dremann, son of Mr. and Mrs. Walter Dremann of North Warren, also a WHS alumnus and graduate of Purdue. He is employed as an industrial engineer for Owens-Illinois Glass Company.

WHEN you are irritated by your child and tempted to tell your friends what a problem he is, remember that though you will forget the irritation and forgive the lapse in good behavior, those you tell are likely to remember it and mark your child down as "a real problem."

So show enough family loyalty to keep your child's faults and shortcomings to yourself.

Good Rule to Follow: If It Might Hurt, Keep Quiet

DON'T say it—The mean little dig that is hidden in a phony compliment. The "piece of your mind" you are tempted to give someone who irritates or inconveniences you. The juicy bit of scandal you can either keep to yourself or pass along to become more malicious the farther it travels. The "for your own good" bit of frankness that may just be your hidden desire to knock the props from under somebody you have always thought a little bit self-satisfied. The sly remark that shows you have never forgotten, or really forgiven, an old hurt. The witty retort that is sharp enough to carry a real sting. The "frank opinion" you've been asked for, when by being frank you will have to be uncomplimentary without being really helpful.

THE UNNECESSARY REMARK
THE comment that will make someone feel less pleased with himself or with his possessions. The price tag or label dropping that will let someone know you can afford something that he can't. The unkind remark about a boring party someone invited you to with the kindest intentions. The generalization that might hurt someone who hears it, or make him mark you as prejudiced or snobbish. The hurt little reproach intended to let someone know you delicate feelings have been bruised. The personal questions you have no right to ask, and which the person you ask may not want to answer. Silence is golden—at just such times as these.

Address by Bishop Highlights Annual Episcopal Meeting

An interesting address by the Right Rev. William Crittenden, Bishop of the Erie Diocese, highlighted the annual parish meeting of Trinity Memorial Episcopal church last evening, preceded by a ham dinner that was much enjoyed by the large crowd in attendance.

During the business meeting held in the church, following the dinner, annual reports were submitted in prepared form by the parish treasurer, Altar Guild, Church School superintendent and Guild for Christ. Youth Groups, including Girl Scouts and Explorer Post, Rockwell Bible Class, Warren County Missions, Bishop's Men, Trinity Women, and Emergency Relief Fund committee.

Elected to the vestry among the thirteen nominated for the four vacancies were Richard Cook, Edgar Pendleton, Don Conaway, Sr., and Frank Sellar. J. W. A. Luce was re-elected parish treasurer. R. E. Dunham parish clerk and Mrs. Frank Perrin to the Emergency Relief Fund committee.

Bishop Crittenden after being welcomed by the Rev. Beecher M. Rutledge, expressed his sincere and grateful appreciation for the cooperation given him by the church along with pleasure in being invited to attend the dinner and meeting. He spoke on "Missionary Work Throughout the World, and its Implications," discussing at some length American Communions in the Caribbean Area and the "Episcopal Church in Town and Country." Several large maps were used during the talk in illustrating the progress

the church is making throughout the world, especially in mission fields.

The dinner was served under the supervision of a committee with Mrs. Don Conaway as chairman, assisted by Mrs. Robert Gibb, Mrs. Howard Alexander and Mrs. George Geracimoa. Mrs. Robert Bloom was in charge of the waitresses. Mrs. Hennessey Bloom prepared the tables assisted by Miss Catherine Lott and Mrs. Richard Cook.

Young women assisting were Ann Lewis, Carol VanBlos, V. Bickarck, Susan Ensworth, Linda Dashem, Sandy Schirck, Helen McClure, Susan Werner. Assisting the girls were Mrs. Dashem, Mrs. Davis, Mrs. Gnadler and Mrs. Salie Lutz.

Appointments by Executive Board of Boy Scout Council

Several appointments marked the meeting of the Boy Scout executive board at the United Refining Company office building last night.

Byron Knapp, veteran Scouter, was named as representative to the National Council of the Boy Scouts of America, to fill the unexpired term of Carl Rogers, who died last week. Jim Blomquist was named as Philmont chairman, also to fill an unexpired appointment of Mr. Rogers.

William M. Hill was appointed chairman of the Lampe Recognition Committee, with the purpose of conducting dedication ceremonies at Lampe Lodge in late Spring. A Carl Rogers Memorial Committee was appointed consisting of Joe Wick, chairman, C. H. Gardner, and Harold Banghart. This committee was charged with promoting gifts to the Rogers Memorial Fund, and selecting a suitable permanent memorial.

Discussion of the hardship placed upon Warren Scout Units resulted in the appointment of a committee consisting of Ed Koebley, chairman, Duane Wilder, and Dick McClement, to explore ways and means for Boy Scout and similar groups to legally conduct door to door sales for the purpose of earning money needed to pay their own way.

Committee chairmen were appointed as follows for 1958: Organization and Extension, James Wright; Health and Safety, Dr. William Ball; Training, Richard McClement with Henry Walker as assistant; Camping, Ed Koebley, Camp Olmsted, Duane Wilder;

Speaking of Sports...

Official announcement was made today of the dates for the fourth annual 1958 Original Maxie Kosof World Endurance Bowling Classic which will open June 28 and end August 4 at the beautiful Paramount Bowl. Men roll forty consecutive games and women roll twenty consecutive games in scratch and handicap divisions. A big feature of the tournament is the Endurance team event in which the five-man teams roll twenty games, ten games each on consecutive days. Ragtime singles, ragtime doubles and ragtime mixed doubles are also scheduled. Buzz Fazio, 1957 winner, posted a new scratch record of 8525.

DRAGON DRIBBLES: Meadville's defeat at the hands of Titusville while not a complete surprise to close followers of the league, was acclaimed by many as a "tonic" to other section teams. The Rockets, dormats in the league last year with a lowly 1-9 record, boast of seven returning lettermen.

It is axiomatic in sports that winning streaks come to an end sooner or later. For the Bulldogs it came after 46 consecutive league triumphs. John Joy, Meadville coach, can be thankful for the kind hand of fate has been very nice to him.

Franklin's victory over rival Oil City was not expected. The Oilers have a veteran team and should be cutting fancy capers. Jack Polancy, Erie sports-writer, refers to Warren as the "Cinderella" team of the circuit. Athletic Director and football coach Lou Hanna remarked "The Warren fans sure are loyal, coming out in this weather to watch their team play."

Reluctant to overwhelm the opposition very nearly ended in catastrophe for the Dragons. Coach Massa was heard to say, "Never again—we will have to be 80 points ahead with two seconds to go before I substitute five men at once."

"Vic" Cragg, Corry mentor, fully aware of Warren's intentions in substituting wholesale, was high in his praise for the gesture and admitted the strategy almost proved disastrous. "The coaches that should give the weaker teams a break don't." Those were Cragg's exact words.

Mervine came through with another hook and has improved in his foul shooting. The big boy can be a tower of strength under both boards, and could be an important factor in the Dragon drive for league honors. He will be tested to the hilt in Tuesday's game at Bradford.

The Owls are big and rugged. Karkosky will be out of the Bradford game for certain—he sprained his ankle in the last two seconds of the Corry game. Mark Peterson is definitely out also.

JAMESTOWN BEATS OLEAN

A jump shot by Tom Triscari with three seconds to go enabled Jamestown to win a 39-37 basketball game from Olean Friday night. Down two points at the three-quarter mark, the Vikings spurred in the finale to finally tie the score with 30 seconds remaining on Bruce Hagadorn's basket. Then came Triscari's clincher that represented Jamestown's eighth victory in nine games. Seven players scored for Jamestown, but none hit double figures in the low-scoring contest. Sam Baker collected 14 for Olean.

West Hopes to Keep Favored East Off Balance in All-Star Contest at St. Louis Tonight

St. Louis (AP)—The West hopes to run all the time and keep a favored East team off balance in the annual National Basketball Assn. All-Star game tonight at the St. Louis Arena.

That is the plan of Alex Hannum, coach of the West. He admits the East team, coached by his bitter rival, Red Auerbach of Boston, holds an edge in size, experience and scoring power.

Auerbach will have three members of his own Boston Celtics on the starting East five chosen by sportswriters and broadcasters. One is 6-foot-10 Bill Russell, the

tallest man on either squad and the NBA's top rebounder and shot-blocker. Hannum's answer may be 6-foot-9, 200-pound Larry Foust of Minneapolis, who wasn't named to the starting five. Hannum said he is impressed with Foust's defensive jobs against Russell this season.

The East starters average an even 100 points a game, the West starters are averaging 97.8. The other five East squadrons have a combined 90.6 average compared to 80.3 for the other West players. The East has won five of the seven previous games.

McDOWELL DEFEATED

Strong Vincent knocked off its most formidable Section I opponent Friday night by a 62-50 score. Falling before the flashy Colonels' break-away game was McDowell before a hometown jam-packed audience. The outcome never was in doubt after Calabrese's Go-Go men raced to a 15-13 first period lead and left at intermission with a lofty 36-23 margin. This was McDowell's second loss of six section titles. The victory extended Vincent's late win streak to six games and put an end to the Trojans' streak of five.

CANCER LIFE-LINE

Throughout the nation, Americans are learning vital facts about cancer. Through films, pamphlets, posters, exhibits and lectures, via newspapers, magazines, radio and television, the life-line of cancer education is reaching more and more men and women.

All of us are concerned with the major threat which cancer poses. Today, thousands of lives are being saved each year, but many more would be saved if people went to their doctors in time. This, and many other facts of life about cancer, are part of the education program which the American Cancer Society offers—at your community center or club, your church or school, your office or factory. For additional information, call the American Cancer Society office nearest you, or write to "Cancer" in care of your local Post Office.

Bradford Rifle Club Upsets Irvine Gunners

The Bradford Rifle Club scored a 961 to 952 upset victory over the local Irvine Rod & Gun Club's Team Saturday evening in a War-Mac Rifle League match fired on the Warren Armory Range.

Bradford posted four scores in the 190 bracket early in the contest to set up a lead that was never overcome by the Irvine Rifleman. Bob Newman's 193 was top score for the local shooters followed closely by Johnny Streich's 192. Dick Giddings of Bradford was high man for the match by firing a 195.

The next match for the Irvine Rifle Team will be Saturday February 1st when Kane will invade the Armory Range for a War-Mac League contest.

SIGNS WITH STEELERS

Pittsburgh (AP)—Ed Bernert an end from Southern Methodist who played briefly with the Pittsburgh Steelers in 1955, signed a 1958 contract over the weekend. Bernert expects to be discharged from the Army in June after two years' service.

Karkosky and Peterson Out of Lineup for Game at Bradford

The Warren Dragons, beset with injuries to key personnel, travel to Bradford tonight where they play the Owls in an independent game. By comparative scores the Owls are heavy favorites to down the crippled Dragons. Bradford walloped Kane 66-26 while Kane is one of two teams to upend the locals, winning 88-75. The Owls also beat Erie Tech and Academy by much larger margins than the Blue and White.

Bradford features a very big team. Graham towers 6-3 and weighs 220, Jones, a sharpshooter goes 6-1, Petit and Gallup are six footers. The team fills in with Cavallo and Zeigler. Warren plagued by injuries, will take the floor without the services of Jack Karkosky, who suffered a sprained ankle in the closing seconds of the Corry game. Mark Peterson continues to be under doctor's care. It appears that Don McKelvey will get the call to fill Karkosky's spot. How well he does remains to be seen. Coach Massa will go along with Bill Mervine, Nick Monroe, Nicky Greola and Bill Brumagin. Warren can look forward to meeting a strong zone defense. The J. V. teams will tangle in the prelude at 7 with the Varsity clash on tap for 8:15.

Undefeated Titusville Matmen Invade Beatty Gym Tonight

What appears likely to be the most outstanding wrestling meet in Northwestern Pennsylvania tonight is when undefeated Titusville Rocket matmen invade the mats at Beatty Gym. Starting time is 7:30.

Titusville Rockets are the number one team in Sectional standing with the Dragons a close second. If the High grapplers can unseat the Rockets, they may go on to win the sectional title last year the Dragons were defeated by the Rockets, 22-17, and they are out this year for revenge.

Many individual records will be on tap. Warren's Larry Campbell, who is undefeated, will tangle with the Rocket's Jim DeMille, who was last year's sectional runner-up and also is undefeated this year. Both Campbell's and DeMille's wins this year have been by falls.

This meet should be very spirited for competition is keen and interesting for both teams are highly skilled and endurance and conditioning may be the determining factors. Warren, after winning their last two meets by sizeable margins, may have gained the necessary experience that this young team needed to win their remaining meets.

Amateur wrestling is a growing sport in Pennsylvania and certainly the people in Warren ought to be proud of the High grapplers which are considered to be one of the stronger teams of this area.

A brief explanation of how amateur high school wrestling is scored will be given for the benefit of the newer spectators, come on out and learn this new amateur interscholastic sport. It is the only sport in interscholastic competition where boys compete against individuals of their own weight and size.

A full evening of entertainment is planned with the baby Dragons taking on the JV Rockets of Titusville, starting time 6:30. The Letterman's club will be on hand to provide refreshments.

OUR BOARDING HOUSE with MAJOR HOOPLE

HEH-HEH! SCRUB GREASY TABLES, EH? NOW I'M SURE THIS SO-CALLED SCIENTIFIC ASSIGNMENT IS SOME DOLLY IDEA OF A PRACTICAL JOKE! UNLESS I CAN FIND THE PROPER INGREDIENTS I'LL TURN THE TABLES! AH! HERE WE ARE! I'LL COOK UP AN ODDOR THAT WOULD FLOOR A GOAT!

WHEN I TOLD THE OLD BOY TO SCRUB THE TABLES HE LOOKED LIKE I'D SMACKED HIM WITH A WET MOP! WHAT'S HE UP TO AT THAT CABINET? I'LL GO OVER AND TAKE A SQUINT!

BEWARE THE EYE OF A HOOPLE WHEN AROUSED!

HEY, MAJOR! WE'RE SUPPOSED TO LAY OFF THE JUNK IN THOSE CABINETS! SOME OF THOSE BOTTLES WOULD BLOW THIS WHOLE DUMPS INTO A PILE OF TALCUM POWDER!

OF COURSE, MR. RAFFERTY! BUT I KNOW A FORMULA THAT WOULD GROW HAIR ON A TOM-TOM! WHAT'S MORE, BEAUTIFUL, BLACK, CURLY LOCKS—LIKE SOME OF MY ONLY CLUB FRIENDS! WITH A SCALP LIKE PARCHMENT HAVE ASKED ABOUT IT! IT'LL ONLY TAKE A MINUTE TO WHIP UP A SMALL BATCH!

YOU'RE IN TROUBLE, MR. RAFFERTY!

BOOTS AND HER BUDDIES By EDGAR MARTIN

WHEN THE QUEEN MOTHER OF VILLAGONIA DIED, HER WILL LEFT PUG SOME PROPERTY.

I'M GIVING IT TO YOU AND ROD, BOOTS! AT LAST I'M ABLE TO HELP REPAIR YOU FOR ALL YOU'VE DONE FOR ME.

BOOTS IS NOW ON HER WAY TO LOOK THINGS OVER... THANKS TO A CONTRACT TO WRITE OF HER EXPERIENCES FOR A MAGAZINE.

MRS. RUGGLES? VILLAGONIA? STEP RIGHT IN, PLEASE.

CAPTAIN EASY By LESLIE TURNER

IF YOU LIVED THRU THE EXPERIMENT, YOU'D STILL BE IN PRISON SINCE YOU'D BE UP TO THE PAROLE BOARD THEN! THINK IT OVER.

I'VE MADE UP MY MIND, GOVERNOR. I'D HAVE NOTHING TO LOSE!

READY TO GO TO DEATH HOUSE?

ANYTHING TO GET OUT OF THE WAY FOR A WHILE! WHERE I CAN WATCH FOR A CHANCE TO MAKE A BREAK!

WARDEN! IF WE CAN ARRANGE THE STAFF TO BE CHANDY PAY FOR HIS CRIME IN A WAY TO AID SCIENCE AND HIS COUNTRY!

HE MAY BE THE FIRST MAN TO SEE THE EARTH FROM OUTER SPACE! OUR SECRET PROJECT IS A MANNED SATELLITE!

Chance for Some Young Person To Spend Six Weeks Visiting Foreign Country --- for Free

The opportunity for a Warren county boy or girl to play the role of Community Ambassador is offered for the fourth straight year to junior citizen who qualifies. The all-expense paid experiment in international living is promoted by Warren Junior Chamber of Commerce and is open to any county resident between the ages of 16 and 30.

Dave Swanson, Jaycee project chairman, has announced that those interested in the trip may obtain application blanks by writing to Warren Jaycee Community Ambassador Project, Box 147, Warren, Please enclose name, address, telephone number.

Applicants must be the equivalent of a high school senior by September, 1958, a resident of Warren county for at least a year and United States citizen. They must also be available until June of 1959 to report on his or her experiences. A 150-word essay on why they would become good Community Ambassadors also has to be written.

Applications should be submitted by March 1. A personal screening interview will take place later.

Chairman Swanson has stated that chief objective of the undertaking is the creation of a better understanding among peoples of the world. Emphasizing the home as a fundamental educational factor, the project endeavors to build mutual friendship and respect at a grass-roots level by giving people the opportunity to become members of families in other lands.

The Ambassador may go to any chosen country for six weeks. The Times-Mirror will announce selection of the Ambassador on March 12. The winner will leave Warren late in June and return in early September.

Committee working on the project includes Dave Swanson, Mark Nagel, Jim Fales, Tom Barratt, Dick Swick, and Ron Howard.

The Community Ambassador project is financed by various individuals and organizations throughout the county. Any organization or group contributing more than \$10 is entitled to a free talk from the Community Ambassador when he or she returns. In the past, many people have commented on how much they have enjoyed the talks given by the Community Ambassador. Letters will be sent out shortly to the various organizations. Any organization or individual not contacted and who wishes to contribute may send a contribution to the above mentioned address. The goal this year will be \$1,000.

We in the Jaycees feel that the more people who contribute money, the more people the Community Ambassador represents; thus the more democratic the project becomes.

RECEIVES PROMOTION—Promotion of Charles E. Houpt to assistant cashier of the Federal Reserve Bank of Cleveland, effective February 1, was announced by Wilbur D. Fulton, president of the bank. Mr. Houpt, who has been associated with the Pittsburgh branch for 31 years as manager of general service and protection departments, succeeds John R. Price who will retire this month. He joined the bank as a messenger and has had wide experience in the operating departments of Pittsburgh Branch.

County's Share of Costs in Federal Spending \$18,468,000

(Special to the Times-Mirror) Harrisburg—Warren county residents will be required to pay out approximately \$18,468,000 in Federal taxes as their share of the cost of the Federal spending program of \$75.9 billion proposed by President Eisenhower for the coming fiscal year, the Pennsylvania State Chamber of Commerce estimated today.

For Pennsylvanians as a whole, the potential cost in direct and hidden Federal taxes was placed at approximately \$5,276,000,000, an increase of \$264 million over Pennsylvania's share of the lower President's budget presented by the President a year ago.

The statewide share of the proposed budget was computed by the State Chamber on the basis of a statistically weighted formula which shows that Pennsylvanians pay 7.14 percent of the cost of running the Federal government. If Congress cuts or increases the budget proposals, Pennsylvania's burden would fall or rise proportionately.

To make the county shares of the Federal burden more meaningful, the State Chamber released the following comparisons:

1. Warren county's prospective tax bill for Federal spending in the 1958-59 fiscal year is \$18,468,000 lower \$7,000,000 than the total wages and salaries paid to employees in manufacturing in this county in 1956. The wage-salary total for Warren county in 1956 was \$25,274,000, according to the State Department of Internal Affairs.

2. Warren county's prospective \$18,468,000 Federal tax "bite" for the coming fiscal year compares with the county's total assessed valuation of taxable real property of \$30,876,000. The latter figure was reported by the State Tax Equalization Board and covers as-

essments for county tax purposes in 1956.

Carrying these comparisons to the state level, the State Chamber reported that Pennsylvania's estimated Federal tax share of \$5,276,000,000 is over four-fifths as much as total wage and salary payments to manufacturing employees in 1956. The statewide wage-salary total was \$6,358,954,000. The statewide total of property assessments for county tax purposes amounted to \$11,951,235,000 or only slightly more than double the potential one-year Federal tax bill of Pennsylvanians.

Individual county shares of the 1958-59 Federal budget cost were computed by the State Chamber by prorating the estimated statewide cost among the 67 counties on the basis of population, retail sales, market value of taxable real property, and estimated effective buying income.

Dear Mr. Lowrey:
I am sure you will be pleased to learn that our recent fund drive has been most successful, with contributions still coming in. Without your excellent support this certainly would not have been possible.

I wish to thank you, in behalf of our association, for your cooperation with us in this drive, and also for all you have done in the past to help further a most worthy cause.

Sincerely,
Mrs. James Palmer,
Publicity Chairman

TAKING IN A SHOW—Secretary of State Dulles glances at the marquee of a Washington theater before entering for the benefit premiere of a new picture, "Search for Paradise." Dulles later reported that the United States wants a summit meeting with Russia, but only if it would not "intensify the cold war and make more likely that it would turn into a hot war."

Garland Fireman Elect Officers for New Year

Garland — There was a good turnout for the monthly meeting of Garland Volunteer Fire Department, when the following officers were elected for the new year:

President, Frank Briggs; vice president, Robert Vanderhoff; secretary, Elmer Blystone; treasurer, C. H. Briggs; chief, William Marino; assistant, Fred Dey; lieutenant, John Sedlack; second lieutenant, Keith Parker.

There was an attendance of 30 members for the regular PTA meeting, convened by the president, Mrs. Mearl Howell, with the PTA Prayer. After a short business session, Mrs. Harmon and Moore, of Corry, presented a program on "Hypnosis." Lunch was served by a committee consisting of Mrs. James Black, Mrs. Howard Eastman, Mrs. Norton Eastman,

Mrs. Levi Stoven, Mrs. Elmer Blystone and Mrs. Kenneth Buckley. The Ladies' Auxiliary of the Presbyterian church held its regular meeting at the home of Mrs. Russell Smith, Vice President Mildred Bailey presiding and the following elected as officers: President, Mrs. Ward Van Gilder; vice president, Birdie Wialder; secretary, Mrs. Eugene Clancy; treasurer, Mrs. June Becker. Refreshments were served by the hostess.

Pittsfield Garden Club met at the home of Mr. and Mrs. William Gary, with 20 present for a thirteen dinner and business session. Mr. and Mrs. William Allen, Tidouste, showed pictures taken on their trip to Key West and The Everglades.

The many friends of Mrs. Mable Johnson were sorry to hear of her fall on the ice, when she fractured her left elbow.

Mr. and Mrs. Arch Bristow have been recent Erie visitors.
